Midnight Static — Single · 2024

Glass Horizon — EP Track · 2024

Low Light — Single · 2023

Afterglow — Single · 2023

About Section

VK Music is a one-person studio project — writing, singing, and mixing every track independently. The sound leans atmospheric and lo-fi, built around layered vocals and warm, imperfect production. New music drops when it's ready, not on a schedule.
